

General Terms and Conditions (GTCs) for Bike Sharing Systems Operated by nextbike UK Ltd

The following general terms and conditions (GTCs) are valid for the use of rental bikes/pedelecs offered by nextbike UK Ltd (nextbike). Paragraphs §1 – §9 of our GTCs regulate the rights and obligations for the use and rental of bikes/pedelecs. Paragraphs §10 – §20 regulate the business relationship between nextbike as operator of the rental system and its customers.

*Pedelecs shall, for the purposes of these GTCs, refer to: an electrically assisted pedal cycle (or EAPC, or ebike, or Pedelec). The bike has a motor that propels it when the user pedals; the electric motor does not propel the user when travelling more than 25 km/h (15.5mph); the overall power of the pedelec does not exceed 250 watts in all cases.

§1 Jurisdiction and subject of the General Terms and Conditions

- 1) nextbike (the “provider”) rents bicycles and pedelecs to registered customers (“customer”) in different cities (“operation area”) as far as the products and services are available. These GTCs regulate the relationship between nextbike and the respective customer in terms of the registration (framework contract) and the conditions for the conclusion of rental contracts.
- 2) These general terms and conditions apply to the usage of the following nextbike brands:

-nextbike UK

For nextbike systems in countries other than the United Kingdom or systems that are not mentioned above, the terms and conditions of the applicable system shall apply.

- 4) Individual agreements made orally between parties before or during the contractual period, deviating from these GTCs must be approved and confirmed in writing by an individual having the appropriate authority to do so from nextbike.
- 5) These GTCs are entered into and finalised in the English language.
- 6) A further overview of individual bike/pedelec locations may be viewed online at <https://www.nextbike.co.uk/en/locations/>. If the customer wants to rent bikes/pedelecs from different nextbike brands outside the United Kingdom, the customer will be informed about those local rates and GTCs.

§2 Registration, Confirmation and Termination

- 1) Application for registration (“application”) is possible via smartphone app, online, at a rental terminal, or in person directly at a cooperating partner’s location. In order to become a registered customer, the applicant must be 18 years of age at the time when the application is approved. The only exceptions

to this Section shall be applicable to the nextbike Stirling system:

-Customers between 14 and 18 years of age in Stirling shall be permitted to open an account with the written consent of their parent/s or legal guardian or through their school. In this case, the parent/legal guardian is consenting to claim joint-liability regarding any case of a contractual breach between the customer and nextbike.

- 2) The following data shall be deemed mandatory in order to register with nextbike: name, address, phone number and email address. If any of the above data is found to be intentionally fake, nextbike reserves the right to close the account.
- 3) Following receipt of all relevant personal data, the provider decides whether or not to accept and approve the framework contract with the applicant.
- 4) Approval of the application shall result in the issuing of an activation notice. This notification may occur in written form, telephonically, via email, SMS or at a rental terminal.
- 5) Upon registration, the applicant shall receive a personal identification number (PIN) which they may use to log into the smartphone app and their online customer account as well as to enter into rental agreements at rental terminals and bike computers.
- 6) Following registration, a framework contract between nextbike and the customer is entered into and the customer gains access to a customer account. After the creation of the framework contract the customer may (depending on the specific bike system) rent nextbike bikes/pedelecs and other bikes/pedelecs from nextbike brands throughout the world, which may be viewed at www.nextbike.co.uk. However, entering into the framework contract does not amount to the conclusion of an individual rental agreement between nextbike and the customer.
- 7) Registration is free of charge for applicants via smartphone, the nextbike internet site, rental terminals or in person at cooperating partners. For rentals subject to fees, a valid means of payment must be provided prior to the time of rental.
- 8) Prepaid cards and virtual cards or virtual credit cards numbers are not accepted by the Provider.
- 9) For verification, the provider will charge a nominal deposit amount, (which may vary based on the particular scheme) which will be added to the customer’s credit balance and applied to future rental fees. Depending on the choice of rates, the provider is authorised to charge rental fees. The amount of these fees and deposits may be requested via telephone and is also available online at <https://www.nextbike.co.uk/en/prices/>.
- 10) The customer is obliged to inform nextbike immediately of any changes to their personal information which occurs during the

Upon provision of this information, the chargeable rental of the bike/pedelec as well as the rental period to be invoiced will be over. The official end of the rental period shall be marked with the receipt of information by the customer via phone, bike display screen or the rental terminal if applicable. Customer service must be informed about any problems via the service hotline immediately. Notification at a later stage may result in any associated recourse claims being rendered invalid.

§4 Rental Limitations

Unless otherwise stated in writing by nextbike, each customer may rent up to four (4) bikes/pedeles on their customer account at a given time. **This shall not apply to any rentals from the Cardiff, Penarth or Glasgowarea where users shall only be allowed to rent two (2) bicycles/pedeles.** Any membership rate or special offering on the account will only be valid for one (1) bike at a time. - 3) The bike/pedelec must be returned so that it is clearly visible at one of the stations published online (or in the app) using the lock provided. The customer is obliged to inform the provider that the rental period is being ended as well as of the exact location of the return (station name/number bike location/GPS coordinates). Should any essential contractual obligations be breached, the claim for damages shall be limited to the foreseeable damage adhering to the contract. Nextbike is not liable for damages to objects which have been transported during a rental either through the use of the bike basket or the cellphone holder (if applicable), unless the damage was due to intentional or grossly negligent behavior of nextbike. Other than the aforementioned stipulations, the liability of nextbike is excluded.
- 2) nextbike shall not be liable in cases of improper and/or unauthorized use of the bicycle in accordance with §3 unless the damage was due to intentional or grossly negligent behavior of nextbike or the damage would have occurred independent of the improper/unauthorized use.

§11 Customer Liabilities

- 1) Use of services provided by nextbike occurs at the customer's own risk. The customer takes full responsibility for damages caused by themselves. Claims made by nextbike's liability insurer against a customer remain unaffected.
- 2) The customer shall be made liable for all costs and damages incurred by nextbike due to culpable non-compliance with obligations under these terms and conditions.
- 3) The customer accepts liability from the moment they receive the lock code or the bike automatically unlocks until successful return (max. 48 hours) or the bike has been rented by another customer. If the customer causes damages due to any negligent behaviour or the bike is stolen because of such, the customer remains liable according to the costs for material and labour costs or recovery of stolen bikes to an amount up to but not exceeding (please refer to the nextbike website in regards to this <https://www.nextbike.co.uk/en/prices/>). This maximum amount does not apply in cases in which the customer has caused the damage intentionally or where the customer is proved to be grossly negligent in their actions or if the customer returns the bike outside of the respective operation area (flex zone or station). In such cases, the amount of liability claims applicable shall be determined by the actual amount and real value of damage incurred.
- 4) The customer is liable for the consequences of traffic offences or criminal offences committed by them during use. They shall bear all resulting costs and indemnify nextbike completely against any claims of third parties.
- 5) If the bicycle/pedelec is stolen during the rental period, the customer must report the theft immediately to the police and then to nextbike via the customer service line and via an email to info@nextbike.co.uk.
- 6) Nextbike is entitled, in cases of due reason e.g. non-compliance with these GTCs or any other applicable laws or regulations and in particular in cases of misuse, to cancel customer rights and thereby exclude customers from using nextbike services and bicycles.
- 7) Information obtained by the police regarding non-compliance with these GTCs, any applicable laws or regulations, while the customer or any user under their account are using a bicycle may be disclosed to nextbike. Nextbike may use such information to exclude or suspend the customer from using the bicycles.

§12 Customer Obligations in Case of Accidents

Nextbike must be informed of accidents immediately via telephone and email at info@nextbike.co.uk. In cases of accidents involving not only the user, but also third-party property or other persons, the customer is also obliged to report the incident to the police immediately. - 3) The customer may change the personal data anytime and as often as they want.
- 4) Should the customer have reason to believe that their user data has been compromised or misused, they should inform nextbike of this fact immediately.
- 5) The customer may deactivate their customer account either online at <https://secure.nextbike.net/uk/en/account/> or by means of written notification sent to nextbike (info@nextbike.co.uk).

§15 Fees, Prices and Calculations

- 1) Nextbike's calculation of all fees and services shall be charged on the basis of the prices valid at the beginning of each individual use of bicycle (rental according to Section 5). Rental fees can be found on <https://www.nextbike.co.uk/en/prices/>.
- 2) Special rates (e.g. annual membership, monthly membership) or gift certificates are valid for one bicycle/pedelec per rental. These are also, in general, valid for and may only be used by the person to which they were specifically issued in accordance with the current price list.
- 3) The annual membership is valid for twelve (12) months following the order. The validity is automatically extended by one year, unless the customer cancels the tariff in writing or by e-mail at most 2 weeks after renewal.
- 4) The monthly membership is valid for one (1) month following the order. The validity is automatically extended by one (1) month, unless the customer cancels the tariff in writing or by e-mail at most one (1) week after renewal.
- 5) Cancellation of special rate agreements does not result in the automatic deactivation of a customer account with nextbike. Should the customer wish to deactivate an account, this may be done online at www.nextbike.co.uk or via email to info@nextbike.co.uk.

General Terms and Conditions (GTCs) for Bike Sharing Systems Operated by nextbike UK Ltd

§16 Payment and Delayed Payment

- 1) The customer is obligated to pay the billed amounts by means of credit or debit card. The customer may change their preferred method of payment at any time. - 2) Should it be impossible to process a payment due to insufficient funds in the customer's account due to customer's fault or for other reasons for which the customer is responsible, nextbike will close the account until the account is updated, unless the customer is able to show that the actual expense incurred was lower. In individual cases and if the customer is not able to show that the expense was lower, the claims made by nextbike may be equal to, but may not exceed the actual expenses incurred.
- 3) If the customer defaults in payment, default interest will be charged at a rate of six (6%) percentage points over the base interest rate. Reminder fees in accordance with additional administrative effort and expense incurred shall also be charged to the customer.
- 4) If the payment is delayed for at least two (2) months, equal to or greater than 15 GBP, nextbike is authorized to demand the entire claim and to discontinue its service until the customer meets their obligations.

§17 Billing, Rental Lists, Controlling

- 1) Nextbike invoices its customers according to the current rate and price list available at <https://www.nextbike.co.uk/en/prices/>. Finalized rental processes (including costs and time periods) may be viewed by the customer in their online account at <https://secure.nextbike.net/uk/en/account/> and in the app. This listing of all completed rental processes does not include items which are extraordinary and cannot be included by the automated system (such as fees due to contractual non-compliance and/or service fees).
- 2) Debiting of the customer's account occurs automatically. Nextbike reserves the right, however, to demand payment by customers either by telephone or in written form.
- 3) Objections to debited charges must be submitted in writing to nextbike within 30 days of receipt of the invoice. Customer rights following expiry of the objection period, also in cases of rightful claims, remain unaffected. Any refunds due will be credited to the customer's account and applied to the next due payment unless otherwise dictated by the customer.

§18 Termination and Deletion of Customer Information

- 1) Both contractual partners may terminate the framework contract at any time with a notice period of two weeks. The right to extraordinary termination is not affected by this provision. The customer may deactivate their customer account either online at www.nextbike.co.uk or via email to info@nextbike.co.uk.
- 2) Special rates (e.g. annual membership) are linked to specific contractual periods. Conditions for termination of special rates are specified in §15 para. 3. Upon termination of a special rate, the customer card should be returned to nextbike at Impact Brixton, 17a Electric Lane, Brixton, SW9 8LA.
- 3) Once the customer account has been closed, the customer's personal data may be retained for purposes as required to meet

legal/regulatory requirements or any financial requirements/obligations that are due by the customer to nextbike (this may include but shall not be limited to the payment of any outstanding amount on a user's accounts).

- 4) The deactivation of an account shall mean that an account is closed. If a customer wishes to use this account again, they will be required to go through the registration process again.
- 5) An account shall only be deactivated by nextbike once all debts have been paid and no obligation to nextbike exists from the customer.
- 6) When closing their accounts, customers shall be entitled to request a refund if there is a credit on the account, provided that there are not open amounts due to the Provider.

§19 Privacy Policy

- 1) Nextbike UK, through its parent company nextbike GmbH, collects, stores and uses customers' personal data where it is necessary to fulfill: 1) its contractual obligations, 2) the realization of the contract between the customer and nextbike or 3) to fulfill any other legal duty.
