

# FILTERING E-BIKES AND ELECTRIC STATIONS

- 1 Select the filter icon on the top right hand side of the map.
- 2 Select “Electric bike” and tap “Done”
- 3 You are now able to see only the e-bikes and stations in the map view.

## ELECTRIC STATIONS

Open in the nextbike app or nextbike website via locations. You will be able to identify an electric station as these stations have a small green thunderbolt next to the pin.
