

# How to Use nextbike During COP26

OVO Bikes and ScottishPower e-bikes are powered and operated by nextbike UK, a subsidiary of nextbike GmbH, the European leader in bike sharing. We have been providing a sustainable way to get around Glasgow since 2014 and are proud to support green transportation around the city for COP26.

## COP26 Offers and Prices

**These offers are automatically applied in Glasgow from 10/31 to 11/12:**

Standard OVO Bikes - Free 30 minutes per rental/rates after are £1/30 min. for Pay As You Ride riders  
ScottishPower e-bikes - Free 10 minutes per rental/rates after are £2/20 min. for Pay As You Ride riders  
Riders with an OVO Bikes membership get 60 free minutes per rental on standard bikes

### Quick Identification

#### Nextbike 1.0

Only has a front lock and can be spotted by the metal wing

#### Nextbike 2.0

Uses a framelock above the back wheel and has a plastic wing

#### Nextbike e-bike

Uses a framelock and a plastic wing but has a thicker frame

## How to Register

- Download the **nextbike app** for OVO Bikes or the **ScottishPower Ebikes Glasgow app** for e-bikes in the App Store or Google Play and register.
- Choose the UK and then select the city of Glasgow.
- Once registered, select 'Activate Account'.
- Complete the 'Profile Fields'.
- Select 'Unlock Options' and enter your payment details. A £5 deposit is required to verify your information and will become a credit on your account. Prepaid cards are NOT accepted.
- Verify your account by clicking on the link sent to you via email.
- Riders can now take advantage of the automatic free rides in Glasgow.

## How to Rent

- 1 Open the app and check the map to find a bike
- 2 Scan the QR code on the bike or enter the bike number and confirm
- 3 Wait for the framelock to release OR enter the 4-digit code shown in the app into the bike computer
- 4 Remove the front lock from the wheel if required
- 5 Return at an official station by reinserting the front lock OR closing the framelock and then ending the rental in the app
